

AUDA StreetScape Update

June 1, 2011

CONSTRUCTION PROJECT UPDATE

From June 1st—June 8th, please anticipate continued work on the waterline replacement from Pine Street to Elder's Bus Station during the working hours of 7 am—3:30 pm. Hansen Brothers will continue to have traffic control between Elder's Bus Station and Pine Street on the north side of the Lincoln Way with one traffic lane open in each direction on Lincoln Way to facilitate the waterline replacement work.

The majority of the work this week will include saw cutting, asphalt removal and trenching between Elder's Station and Pine Street to facilitate the waterline work.

Please anticipate some delays on Lincoln Way. We regret this inconvenience and ask our residents, businesses and visitors to be patient and considerate during the project. The construction will occur over the next six months.

Please remember that businesses are open during construction and there is public parking located on Lincoln Way near Elder's, near Depoe Bay and off E. Placer St.

More information on the Streetscape Phase II Project can be found online at:
<http://www.auburn.ca.gov/services/PublicWorks/pwStreetScape.html>

If you have any questions regarding the project, please contact Bernie Schroeder at 823-4211 x 144 or Carrie Huff at 823-4211 x 142
